

## SUMMER CAMPING GEAR

**Clothing:** All scouts must wear a Class A uniform on the trip to and from camp. For Camp Drake class A uniforms are also required for each evening meal. The remainder of the time, scouts may wear anything that is within the boundary of Boy Scout good taste. Class B shirts are also an excellent choice for daily wear.

**Storage:** A duffle bag or backpack is acceptable for bringing your things to camp, but I would suggest a plastic tote with closeable lid. This will keep your things dry in case of bad weather.

**Food:** to avoid raccoons and other critters in your tents, please do not keep any food, of any kind, in your tents. A storage box will be provided for community storage of a limited amount of snacks. Please label.
